

## Town of Burlington

Another year has gone by quickly and we are approaching another fall season. With that comes the Burlington Fall Festival. This event showcases the beauty of our local park. The Burlington Community Club has been working hard to plan and facilitate this annual event. It takes a lot of volunteer work to make it the success that it is. Please contact one of the club members and get involved by asking how you can be utilized during this special time for Burlington. With the beauty of the fall

season comes leaves falling from the trees. Keep watch for leaf pickup times and schedules.

We continue to battle a worn-out waste water system and need to upgrade it. Additional work will be required for years to come. The recent completion of the generator system allows us to pump when the electricity has been interrupted within the town. This had never been done previously. All of the town's waste is pumped across the creek to the plant by way of a high pressure

pump. This is just one hurdle completed in our quest for a system worthy of our town.

Budgets have been completed for next year. The public hearing for the 2014 budget will be held on Tuesday, September 10. The adoption meeting is planned for Tuesday, October 8. Both meetings will be held at 7:00 p.m. If you have any questions about the budget, please attend these meetings or contact the town hall at 566-3672.

It has been a full summer with the Carroll County Community Center offering a day camp at the Burlington Community Park for grade school youth in the Burlington area. The township assisted in the funding for this program to make it more affordable. The camp was staffed by college students hired through the Community Center. They brought experience and energy to the program. The campers had many different experiences throughout the week and a special field trip weekly. Some of the field

trips included the Indianapolis Zoo, Indiana Beach, Lafayette Columbia Zoo, Purdue University as well as others.

Parents of day campers had the opportunity to evaluate the program. It is in the process of being reviewed to see if this program was worthwhile and to see if it should continue.

The Carroll County Community Center is a valuable resource to the county. Consideration is being given to funding additional activities to be offered in the Burlington area through the Center. If you

have an idea of an activity that would be beneficial to any age group, please contact the township trustee or the Community Center about your idea.

The township is continuing its effort to restore tombstones in the township. Two weeks of work were completed in the Hyde Park Cemetery by the Graveyard Groomers, a small company that specializes in stone refurbishing. The township will continue to "plug" away at this project as long as

## Burlington Kiwanis Club Milt Rodgers, President-574-859-2078

The Burlington Kiwanis Club is an active service organization serving the Burlington area. We held two successful fund raising activities this past spring. The first was our annual Tenderloin Dinner the first Saturday in April. The proceeds from this dinner allowed us to donate \$467 to the Burlington Food Pantry and \$467 to the Burlington Community Club for the downtown Burlington Christmas light project. Our annual auction was our main fund raising event and netted \$6692. Our last fund raising event of 2013 is the Pancake Sausage Breakfast. We co-sponsor the pancake/sausage breakfast along with the Burlington Volunteer Fire Department at the Fall Festival on Sept. 21<sup>st</sup>. All proceeds from our fund raising activities support youth programs in the Burlington area.

This summer we have sponsored a trip to the Indianapolis zoo for approximately 75 youth from Burlington and Flora areas. The kids were those that attended Carroll Community Center Day Camp Summer Programs at Burlington and Flora. The children and their adult chaperones were treated to Scoops ice cream when they returned to Burlington. The Kiwanis also donated to the Burlington Library, Burlington Junior League baseball organization, Carroll County Junior Leader program, and other youth programs in the Burlington area. We also awarded five \$500 scholarships to Carroll High School Seniors. In addition, the club sponsored the "I'm A Winner" (Bring Up Grades) program at CES, and on two occasions the club filled bags for the Carroll School Corporation "Buddy Bag" program.

Kiwanis activities this fall and winter, in addition to the Fall Festival Pancake/Sausage Breakfast, are the hosting of the Kiwanis International President's visit to the Indiana Kiwanis District, the annual Burlington Harvest party on October 26<sup>th</sup>, and Red Cross Blood Drives October 22<sup>nd</sup> and December 17<sup>th</sup> of 2013. Also, Red Cross Blood Drives will occur on February 11<sup>th</sup>, April 15<sup>th</sup>, and June 10<sup>th</sup> in 2014.

The Burlington Kiwanis Club is open to anyone who wants to serve the community. We meet for breakfast and information sharing every Saturday morning at 7:30 AM in the basement of the Burlington Community Building at the park. All are welcome. Please let Dick Richardson (574) 859-2078 or Rosetta Mann (765) 271-2349 know if you plan to attend the breakfast buffet.

The library's Summer Reading Program was quite successful. More than 40 children attended the program "Getting to Know Your Town and Country". The program was held every Tuesday and Thursday during June and July. It was truly a community project.

The library would like to thank all the speakers and the program volunteers involved with the program who helped with the children, the food, and the donation of prizes. Thanks to Joretta Cosby and the Burlington Kiwanis for monetary support. Thanks to those who took pictures of the events for the library's Facebook page.

The children enjoyed speakers Russ and Maria Hawkins, Shelly Jones, Rebecca Crenshaw, James Rich, Kari Gray, Karen and Brian Dinger, Julie Coghill, Pastor Mark Miller, Josh Jenkins, Hazel Schenck, Janette Atkisson, and Jill Hammond.

The topics covered were eagles, history of the American flag, fingerprinting, Adams Mill, Chief Burlington, authorship, the post office, baking and measurements, music, food choices, the role of churches, fire safety, getting around Burlington by using a map and a compass, tEngland, and the role of the town marshal.

The library plans to have a float in the Fall Festival. Library volunteers and children who participated in the reading program are asked to dress as characters from books.

funding is available. Hyde Park Cemetery is located at the corner of CR 800S and 350E. Take a drive to see the work that has been done and see what yet needs to be completed. Cline Cemetery was completed last year. Cline is located on 200 N, west of 350E. Troy Trent does an excellent job of keeping this cemetery looking nice. The Gettingsville Cemetery Association is contracted to mow Hyde Park.

The 2014 budget is in the process of being approved. The budget will remain the same with the exception of the General Fund which will potentially be increased to cover the cost of Day Camp and cemetery work. This increase will be funded by money that has accumulated over the years. There will not be any need to raise additional money for these projects.
